Engineered for more output, better performance and great value

- Quick-disconnect feature for simple drum removal
- Easily handle higher viscosity materials – even in cold conditions
- High output pumps – get the job done faster
- Designed for easy maneuverability and handling
- Affordable options – meeting your business and performance needs
Rely on Graco® transfer pumps for dependability and durability

Quick-release bung adapter
For easy drum removal without interference from hose connections

Corrosion-resistant components
Stainless steel wetted parts

PTFE seals
Improved performance for less maintenance

55 gallon drum not included.

Ordering Information
Graco T1 Transfer Pump
256200  Graco T1 2:1 Transfer Pump
247955  Graco T1 2:1 Transfer Pump, air supply kit, 10 ft x 3/4 in (3 m x 19 mm) supply hose and fittings
247956  Graco T1 2:1 Transfer Pump and 10 ft x 3/4 in (3 m x 19 mm) supply hose
312766  Operation and repair manual

Graco T2 Transfer Pump
295616  Graco T2 2.25:1 Transfer Pump
246081  Graco T2 2.25:1 Transfer Pump, air supply kit, 10 ft x 3/4 in (3 m x 19 mm) supply hose and fittings
246898  Graco T2 2.25:1 Transfer Pump and 10 ft x 3/4 in (3 m x 19 mm) supply hose
311882  Operation and repair manual

Discover the advantages of the T1 and T2 pumps
- O-ring seal design is more durable and lasts longer – more spraying uptime and less time on maintenance
- Provide consistent feed pressures and flow rates for dependable results
- Maintain performance in working environments - lower inlet pressure drops with higher viscosity materials in any climatic condition
- Designed and manufactured by the worldwide leader in pump technology
